Dear Mr. & Mrs. Saya:

We would like to take a moment to sincerely thank you for your recent donation in the amount of $100.00 to benefit the JJIS Lego Robotics team.

Your support of the school's team is invaluable. As you know, children are natural engineers who are constantly asking questions and imagining new ideas.

It has always been our hope to provide a safe environment through which students can participate in the Lego group to allow for their enthusiastic need to be challenged, invent, create, and compete.

Thank you for your contribution and support. It is so very much appreciated.

Respectfully,

Elise Butson, Principal
